

What is School Diversity Week: Home Edition?

What is School Diversity Week?

School Diversity Week is the **national celebration of lesbian, gay, bisexual and trans (LGBT+) equality in education.**

Organised by the charity [Just Like Us](#), the week empowers pupils, parents and staff across the country to come together to recognise diversity and understanding in schools and take responsibility for tackling homophobic, biphobic and transphobic bullying.

What is the Home Edition?

With UK schools currently closed, Just Like Us have launched **School Diversity Week: Home Edition**, allowing primary age pupils, as well as their parents, carers and guardians to engage with this topic from the safety of their homes.

If you are running School Diversity Week in your school, college or organisation as normal (i.e. not remote learning), you will find the resources in our [School Diversity Week toolkit](#) more relevant.

What does it include?

We are thrilled to present to you the Home Edition. A good place to begin is with our [suggested activities for the day](#), so you can see what's on offer for your pupils. We hope that the week will be **educational, creative and fun.**
